NOTICE for privacy policy

■ The purpose of collecting and using personal information

We collect and use personal information only for responding your inquiry.

■ Provision of personal information to third parties

We will not provide personal information to third parties without the consensus of the individual. However, except when required by law, when we provide personal information to public institutions, etc. as necessary to achieve the above purposes of use, or when we provide personal information as statistical data from which individuals cannot be identified.

■ Outsourcing the handling of personal information

To ensure the smooth execution of our business activities, we may outsource a part of our data processing operations to a third party that meets our selection criteria for personal information protection.

■ Disclosure, correction and suspension of use of personal information

When we receive a request for disclosure, correction, or discontinuance of use of personal information in our possession from the person who is the subject of the information, we will comply with the request within a reasonable period in accordance with our procedures.
